Dealer Comments
Meet the 2022 Chevrolet Equinox, a used sedan that makes the daily drive feel easier. Great gas mileage means fewer stops and more weekend detours. The Equinox is comfortable on the highway and nimble around town; steering wheel controls and cruise control keep you settled on longer runs, while the rear camera and tire pressure monitor take care of the small hassles. Airbags are on board for peace of mind. Take it for a test drive and see how it fits your routine.
Installed Features
