Dealer Comments
This 2012 Nissan Altima coupe is a used car that makes the daily drive economical and the weekend runs feel deliberate, thanks to great gas mileage. The Altima's lower roofline tightens up city parking and highway stretches alike. Cruise control smooths long runs, a tire pressure monitor keeps you confident on trips, fog lights help in poor visibility, and airbags are there for peace of mind. Stop by and take it around the block.
