Dealer Comments

This is the cash price for this vehicle, it is not available for financing. Looking for a car that screams "I peaked in high school" but still absolutely slaps on the freeway? Say hello to the 2012 Chevy Camaro. It's loud, it's proud, and it probably listens to classic rock when you're not around. Under the hood? Pure American muscle. Under the driver's sunglasses? Pure confidence (and maybe a touch of delusion). This car doesn't just go from 0 to 60—it does it while flexing in the mirror. Whether you're racing your inner demons or just trying to make your ex jealous, this Camaro is here to help. Handles like a dream. Sounds like thunder. Gets more thumbs-up than your last selfie. Mileage: 209k Color: Red hot or blacked out (depending on how rebellious you're feeling) Extras: Tinted windows, attitude, and enough horsepower to make your neighbors hate you. Buy it before someone else trying to recapture their youth does.
