#### Dealer Comments

This car is cash only, financing not available. Looking for a car that says “I’ve got my life together,” even if you definitely don’t? Meet the 2011 Mercedes-Benz C 300. It’s German, it’s classy, and it still turns heads like it just rolled off the showroom floor (as long as you squint a little). With a V6 engine that hums like a caffeinated opera singer and a ride so smooth it could double as a therapy session, this Benz is built for comfort, confidence, and probably a few speeding tickets. Luxury leather seats? Check. Buttons you’ll never figure out but love to press anyway? Oh yeah. It’s like driving a couch—if that couch could do 0–60 in under 7 seconds and judge every Toyota in your rearview. No weird smells. No mysterious noises (unless you count the sound of success). Just good, clean German fun. Mileage: 130k Color: Sophisticated Silver™ Extras: Sunroof, smug sense of superiority included free of charge Come test drive it before your neighbor does. You know the one.
